5 Tier Points Based System (PBS) For many, one of the UK government's new 5 Tier PBS would be suitable:

- Tier 1 - for highly skilled individuals, graduates, investors or entrepreneurs
- Tier 2 - for employer sponsored employment
- Tier 3 - for low skilled work (introduction suspended)
- Tier 4 - for full time students
- Tier 5 - for young temporary workers and sportspeople

Whether you are an individual, a small company or a multi-national, we offer a client-focused immigration service tailored to your requirements for whichever tier is appropriate for you. For those for whom a PBS application is not appropriate, we can offer
