Bell Cornwell LLP, Hampshire Established in 1986, we have grown from a small office in Hook to three offices across the South of England. Our business is built upon and around our people - they are our most important resource. In turn our people build great relationships - with clients and each other. With our collective industry experience, using our proven negotiation skills and in-depth knowledge of the entire planning process each member of the team has the expertise to support you at every stage of your project. We have a detailed understanding not just of policy, practice and the legislative framework for planning but also the politics and other key factors that influence planning decisions. We recruit, develop and retain the best professionals. Our people are talented, commercially focused, pro-actively outward facing and well connected. We look out beyond our own business and play a role in the wider communities of which we are a part. We are active members of: • Royal Town Planning Institute • Home Builders Federation • Chamber of Commerce • Women in Property • Urban Design Group • Institute of Environmental Management and Assessment Some of the Services we Offer Include: Town Planning Consultants Hook • Town Planners Hook • Town Planning Consultants Hampshire • Town Planners Hampshire
