CAMB Machine Knives International Ltd We have built a reputation for high quality machine knives, with over 25 years of experience, which we supply to industries throughout the world. We have established an international network operating from our CAMB Machine Knives headquarters in the UK, along with agents in Spain, Holland, France, New Zealand, South Africa, Australia & Israel. We currently supply and export our knives to over 20 countries worldwide from our base in the UK, utilising our established export network, as we deal with several carrier and freight companies, ensuring we always get a competitive price and best carriage option to your destination. As well as supplying new blades, we also offer a full regrind / re-sharpening service on many of the knives we supply. This can be arranged on a weekly basis, as we currently do with several UK poultry processors. Alternatively you can book a regrind when you need it. Quality is our guiding principal. With over 25 years of experience supplying the machine knives industry, CAMB Machine Knives was established in the UK in 1989 and aimed to provide consistently high quality knives and service to a broad range of industry sectors. Based on these guiding principals, CAMB Machine Knives has flourished and grown throughout Europe, USA and Africa, establishing a reputation for high quality products and service. CAMB Machine Knives International really does have an international reach with a network of exporters and carriers - with offices both in the UK and USA, along with agents in Spain, Holland, France, New

Zealand and South Africa, so you'll never be far away from a CAMB Knives representative. Knives for industry - we'll supply it if it has a cutting edge - Then we can supply it.
