H Brown & Son Recycling Here at Brown Recycling, we feel we offer the most professional, thorough and comprehensive waste disposal services across Stoke-on-Trent, Crewe and the surrounding areas. We are a family-run business with over 80 years of experience as a waste management company and in our long history we have always invested in the most up to date services and technology. We've even taken care of waste for, and provided corporate sponsorship for, Stoke City FC and Port Vale FC. We can handle the most difficult and hazardous waste as well as smaller domestic waste so everyone is catered for. We aim for "zero to landfill", and this is a firm target that we believe we can meet. We have skips of all sizes, as well as wheelie bins and containers from 240 litre wheelie bins to 40-cubic-yard roll-on roll offs, so you're covered for whatever kind of waste materials you need to dispose of. We have 4.5 acres of facilities, which include:

- An MRF (Materials recycling facility)
- Scrap metal processing facilities
- Baling plant for cardboard, polythene and paper
- Document shredding facilities
- An SRF (Solid Recovered Fuel) processing plant

Our professional staff – including our very own ADR-trained drivers – can advise you on everything from document shredding to scrap metal processing, ensuring you get the best possible service to meet your requirements. So for a quality skip hire company and waste disposal team look no further than us. Brown Recycling has been a corporate sponsor for Stoke City Football

Club and Port Vale Football Club for many years. During this period of time, we have provided total waste management and recycling services for the clubs. We continue helping with many other local sponsorships including local racing driver Gerry Taylor and numerous local Football, Rugby, Cricket and Netball teams. We have raised money through various charitable events for Donna Louise Trust, Breast Cancer Research and the Douglas Macmillan Hospice to name a few. Some of the Services we Offer Include: Recyclers Stoke on Trent • Waste Management Stoke on Trent • Scrap Metal Processors Stoke on Trent • Skip Service Stoke on Trent • Wheelie Bins Stoke on Trent • Hazardous Waste Stoke on Trent • Shredding Stoke on Trent • Landfill Diversion Stoke on Trent • Recycling Centre Stoke on Trent • Non Ferrous Metals Stoke on Trent
