DST UK Ltd DST UK Ltd have been trading in home phones and business communications equipment since 1999, our team have been together for many years with our longest member being with us since 2003. The product knowledge our staff have developed over the years; in both home and business phone systems; stands DST in good stead to provide our customers with product advice that really makes a difference when choosing a new phone. Over our years of dealing with major manufacturers such as Panasonic, Siemens Gigaset, Plantronics and BT we have solved pretty much every phone problem there is so you can be sure you're in safe hands. Whether it is a single home phone, a rugged phone with extended range, a headset, or a complete business phone system, we have the knowledge and the products to ensure you get what you really need. We are always happy to hear from our customers, whether you need advice from us or have some to give, please feel free to call or email. We value our customers and the relationship we have with them and believe that our dedication to customer care helps us to stand out; over and above the competition. So, whatever your telecommunications requirements are, give us a try and we are confident you'll be glad that you did. Our custom built premises are now open in Trafford Park,

Manchester and all callers are welcome. Telephone: 0800 888 6008
