Beechdale Motor Group Beechdale was incorporated in 1982 and is now one of Derby's only remaining privately owned New Car dealerships, ran by John Oldfield and Gary Siddall we have been proud partners of our Hyundai, Alfa Romeo and Jeep franchises for a number of years. We have recently built a new showroom and a new service facility and are looking forward to serving Derbyshire and beyond for many more years. We are proud to stock a wide range of new cars from some of the world's most established manufacturers. Our extensive selection of models are available at a range of prices with a number of finance offers available. NEW HYUNDAI CARS - NEW ALFA ROMEO CARS - NEW JEEP CARS As well as stocking new cars, we have a huge selection of used vehicles. Motability Beechdale are delighted to be part of the Motability family and have trained specialists who are ready to answer your questions and help you choose your car. To make your experience with Beechdale as easy and comfortable as possible we have full disabled facilities in both of our showrooms. Service & Parts Servicing is one of the most important aspects of car ownership, enhancing the safety, enjoyment and reliability of your vehicle. Whatever your car comes to us for service, repair, MOT or a seasonal safety check you can guarantee you and your vehicle will receive the same high quality service and care from our experienced and skilled team. Our menu pricing system means you will always know beforehand what it will cost and should we find other

items which need attending to, we will always contact you for authority to proceed. For your convenience we provide either a courtesy car, collect and deliver service, or can even drop you off at a convenient local location, the choice is yours. Business & FleetBeechdale are delighted to offer a wide range of Business and Fleet offers throughout all of our manufacturers portfolios with flexible funding options and a range of leasing and contract hire packages.
