Jennings Plant, Newcastle Upon Tyne, North East
Jennings Plant, the North East's leading suppliers of small and large plant hire for all projects. Jennings Plant supplies equipment which is suitable for house builders, local authorities, landscapers, gardeners, stables, farms and small holdings, road builders and the construction industry. All of our diggers and excavation machines can be supplied with or without drivers. We deliver machines to sites covering: Newcastle - Gateshead - Morpeth - Northumberland - Sunderland - Washington - County Durham. Our diggers, JCB's and Muck Trucks can be hired at very competitive rates; daily hire or longer contract hire are both available. Muck Trucks are also available to purchase, and we can supply a range of accessories. We are available 24 hours a day, 7 days a week - and no job is too small. Having been established since 1953, you can be sure we have the experience to help you with your plant requirements. A family firm that believes that every customer is important. From the smallest builder to the largest company. Our machine operators have an average of over 25 years experience each and their skill, productivity and advice can help towards making huge savings for our customers. They are probably the best operators, driving the best plant in the North East. Having achieved Investors in People back in 2003, our company believes our employees are an essential part of our success. Ongoing investment in training to ensure they remain the best is an essential strategy in providing a first class

service to you our customers.Call us or email us now - so we can give you the best price.
